

new facility. The revenue expected is also something to ~~take~~ in account.

#### CONCLUSION:

It is clear for me that an outside café is the best option. Not just because the institution would be cheaper than the others, but also because it would be a source of income which would allow ~~them~~ to have extra money for other activities and finally, it would offer to students a nice place where they can stay during their gaps among classes.

- 1 Your college has recently received some funding to improve the environment around the college building. Some ideas for how the money should be spent include a student garden, an outside café and some additional student parking. As the student representative, write a proposal to the College Principal outlining how you think the money should be spent and how these improvements would benefit the students and the college.

Write your **proposal**.

### Question

PROPOSAL: HOW COULD WE SPEND FUNDING TO IMPROVE OUR COLLEGE?

#### INTRODUCTION:

This proposal is aiming to highlight the three more demanded options that ~~the~~ students have sent me as their representative, and I will end concluding ~~with~~ <sup>with</sup> the idea I think is the most suitable for this purpose of making our college a better place.

#### STUDENT GARDEN:

It would be nice to have somewhere surrounded by trees and plants where students can relax ~~there~~ contemplating nature and, of course, exchange information about subjects, exams and so on.

The main inconvenient here would be the maintenance that a garden requires. It would be necessary to hire a garden keeper and I think we don't have enough money.

#### STUDENT PARKING:

Many students are in an hour commuting ~~with~~ their cars every day, because the public transport is not very good in this area. Besides, a car park could supply extra money to the University. ~~The~~ The more important reason against is that the construction would be really expensive, maybe more than we can afford at this point in time.

#### OUTSIDE CAFE:

We have to admit that the current cafeteria lacks of the simplest confort services, because of the shortage of space. A new outside cafe would solve this problem and also would make ~~our~~ <sup>our</sup> ~~university~~ <sup>university</sup> daily life more pleasant with this brand
